LETTER RESCINDING NOTICE OF ABANDONMENT

A Notice of Abandonment, Form PTO-1432, was mailed on December 27, 2007, in patent application Serial Number 10/531,764. The Notice of Abandonment alleged that applicant failed to file a response to the Office's Non Final Rejection dated July 18, 2007. The Examiner miscounted the number of months in the statutory period. Rather than timing out on December 18, 2007, the period of response should have ended on January 18, 2007. Consequently, applicant's response, received on December 26, 2007 is considered timely filed and the Notice of Abandonment is, therefore, hereby RESCINDED.

Any inconvenience occasioned by the delay in associating the response with the application file is regretted.
